THE CLEANSING OF THE DEMONIAK

Luke 8:26-39

I. WHAT ARE ANGELS AND DEMONS?

- Angels are spiritual beings appointed to serve God.
- Demons are angels who have forsaken their appointment.

II. THE EXODUS AND THE EXORCISM

- God presented Himself as the tribal Deity of Israel.
- Jesus Christ presented Himself as a man.

- God led the 12 tribes of Israel safely across the Red Sea.
- Jesus Christ led His 12 disciples safely across the Sea of Galilee.

- God drove out pagan tribes and false gods . . . while leading Israel into the promised land.
- Jesus Christ drove out demons . . . while leading His disciples out of the promised land.

III. OUR RESPONSE

BELIEVE that Jesus freed the man from the torment of hundreds of demons.

CONFESS that Jesus is willing and able to free you from the torment of sin.
